

T-400

- The promise of **classic twang** is fully realized in the DeArmond T400. No other guitar delivers that fat, single-coil sound with such unmistakable style. Controls include separate volume and tone for each of the U.S.A.-made DeArmond 2K pickups and a master volume for added versatility.

- **Shimmering** vibrato is at your fingertips thanks to the DeArmond Vibro Tailpiece™. For enhanced tuning stability, the T400 is also fitted with diecast tuners and "roller" bridge saddles.

- A full 17" wide at the lower bout, the slim, hollow body is crafted from beautiful North American Maple with transparent satin finishes and hand-applied, multi-layer binding. The comfortable neck was specially-designed with maple/walnut/maple reinforced construction that will keep it playing easily for years to come. An optional form-fit hardshell case is available.

T-400 035-2000 Finish options:

-512 Tennessee Orange (front)

-521 Natural (middle)

-538 Crimson Red (back)

- Backed by DeArmond's **no-nonsense** Limited Lifetime Warranty
