Please describe the problem in detail.

Is this a new symptom?

Does the problem occur every time you use the product?

Does the problem occur on specific settings or conditions?

Does the problem only occur after the unit has been on/used for an extended time?

This form does not solely constitute nor imply warranty coverage. An original proof of purchase (retail sales receipt) must accompany the product to an FMIC Authorized Service Center for evaluation.

If you have any questions, please contact FMIC Consumer Relations at (480) 596-7195 or consumerrelations@fender.com
